PRESS RELEASE

Woodside Pavilion Clubhouse

Lymington and Pennington Town Council are pleased to announce that Lynx Sports Management have been awarded a licence to occupy the clubhouse at Woodside Pavilion.

The clubhouse is to be made available for the whole community, from sports teams and clubs, to dog walkers and community groups.

It will include a café, which will sell hot & cold drinks, ice creams and snacks throughout the week and weekends. It will also be available for community hire. Typical uses might include toddler playgroups, dance or exercise classes, children's birthday parties, art classes or reading groups.

The Chairman of Amenities, Councillor Simon Smith, commented "*The café will provide much needed refreshments for the many sporting clubs as well as the wider community who enjoy the Park for a variety of leisure purposes. We hope the café becomes a destination rather than an ancillary venue. A true community asset.*"

The changing room facilities will be kept separate to the operations of the clubhouse and will be available to sports clubs when hiring sports pitches which is done via the Town Council.

There will be an official opening of the Café on 1st April 2022 at 10.30am. All are welcome to attend.
